Nikkita Johal

Global Compliance

Gilead (Singapore)

nikkita.johal1@gilead.com

Nikkita Johal has over ten years of multi-jurisdictional experience in advisory and implementation roles across the private and public sector. She currently works for Gilead in a Global healthcare compliance role, based out of Singapore. In addition to healthcare compliance and investigations, Nikkita is experienced in areas of enterprise and operational risk management, and business controls. She graduated in law and has experience of working in law firms and consulting before specializing in the pharmaceuticals industry.
