TYPE OF AID YOU ARE APPLYING FOR:

- Federal Direct Unsubsidized/ Graduate Plus Loan.** (If you have not received the maximum Unsubsidized Loan eligibility for the 2017-18 year, we will process the remaining amount that you are eligible for with that loan first. We will then process your request for the Federal Graduate Plus Loan. **(Complete page 2)**)
- Private Loan:** You must apply directly with the private lender of your choice.

FAFSA: You must have a **2017-18** FAFSA on file for a summer loan. (If not, apply at www.fafsa.ed.gov)

Minimum Enrollment: Students must be enrolled at least half-time to be eligible for federal student loans. At Seton Hall Law, this means that JD students must take at least 4 credits in the summer and 5 credits for each of the fall and spring semesters. MSJ and LLM students must take at least 3 credits in the summer and 5 credits each of the fall and spring semesters. If you drop below half-time status, loan funds will be cancelled. Enrollment will be verified prior to and after disbursement of federal loan funds.

Refunds: If the amount you borrow is higher than the amount of your tuition and fees, a refund will be processed and will be available during the first week of the semester. Students visiting other institutions will have varying refund processing dates based on the enrollment dates of that institution.

Eligibility / Loan Amount: You may apply for the amount needed to cover tuition, fees, loan fees, and living expenses. If you are not applying for residency credit, you might not have a tuition charge for the summer semester. However, other institutional charges may apply.

The estimated amounts to cover summer 2018 living expenses for JD students enrolled on-site and living on their own is \$4,836 and \$2,300 for students living at home or with relatives. The estimated amounts to cover summer 2018 living expenses for MSJ students living on their own is \$2,384 and \$1,622 for students living at home or with relatives. Students attending other institutions have different costs for living expenses set by that institution.

If your enrollment plans change and you will not be enrolled for the summer semester, drop below half-time, or if you will no longer seek residency credit, you must notify our office so we can make the necessary adjustments to your financial aid.
