Anna Loveless

Manager for Monitoring, Innovation and Infrastructure

Johnson & Johnson

atemplo@its.jnj.com

Anna Loveless has responsibility for the company's North America Pharmaceuticals sector and for the development and maintenance of monitoring mitigation activities and management of the data infrastructure, processes, and solutions.

Previously, Ms. Loveless was the Lead Analyst for Oversight and Monitoring within the U.S. Pharmaceutical Group, responsible for the delivery of the monitoring plan. She has been with Johnson & Johnson for twelve years, four of them within the Health Care Compliance Organization. She is a Certified Project Management Professional.

Ms. Loveless holds her Bachelor's Degree in Information Technology with a minor in Math from New Jersey Institute of Technology.
