

Nitin Pandey, *Managing Director – Cyber Risk Advisory Practice*, Deloitte & Touche LLP
npandey@deloitte.com

Nitin Pandey is a Managing Director in the Cyber Risk Advisory practice at Deloitte & Touche LLP's Greater New York practice. He is the leader of the financial services privacy offering with 21 years of experience supporting his clients to improve their cyber security and privacy and data protection programs.

Nitin has extensive experience in helping his clients shape their cyber strategy and operating model, increase compliance with key regulatory requirements, support compliance and risk-based assessments, and enhance coordination between related functions such as cyber, data privacy, and third-party risk. In addition to cyber security, Nitin has deep expertise in privacy and data protection.

Nitin is aligned to the financial services industry and has over 15 years of project management experience; he has managed large projects at client locations in United States, United Kingdom, EMEA, India, and APAC.

Nitin is a Certified Information Systems Security Professional (CISSP), Certified Information Privacy Professional (CIPP), and Project Management Professional (PMP) and has an MBA with a dual specialization in Strategy and Finance.
