Regina Gore Cavaliere

Vice President, Regulatory and Compliance, Chief Ethics and Compliance Officer
Henry Schein, Inc.

Regina brings over twenty-five years of legal and compliance experience supporting the life sciences industry. She currently serves as Vice President, Regulatory and Compliance, and Chief Ethics and Compliance Officer for Henry Schein, Inc. – a global solutions company for healthcare professionals and a recipient of Ethisphere's *World's Most Ethical Companies* award eleven years in a row. In addition to serving as Chief Compliance Officer at other life sciences companies over the years, she was also a Principal at KPMG providing compliance advice to life sciences clients. She began her legal and compliance career in industry at Bristol-Myers Squibb and earned her J.D. from Rutgers School of Law - Newark.
