MSJ Program

The MSJ Program is a 31-credit degree which can be completed entirely online or as a hybrid online/traditional in-person degree, at the student's option. MSJs who elect to pursue a hybrid online/in-person degree attend live electives and sit side-by-side with Juris Doctor (JD) and post-JD (LLM) students.

Students who enrolled beginning in June 2019 or later must enroll in the four required foundational courses, followed by four concentration courses and two elective courses. All MSJ students who enrolled prior to June 2019 will fulfill their course requirements by completing the four required foundational courses, three concentration courses and three elective courses.

Dual concentrations may be pursued. An MSJ student pursuing a dual concentration in any two of Health & Hospital Law, Law and the Creative Industries (formerly known as Intellectual Property Law), Pharmaceutical & Medical Device Law & Compliance, or Privacy Law & Cyber Security must take 12 credits in the primary concentration and nine credits in the secondary concentration in order to be awarded the Dual Degree.

Additional credits over 31 will be required to earn a dual degree with Financial Services Compliance and any other concentration area. Read the policy here.

Once a course of study is chosen, all MSJ students are required to take four foundational courses (five foundational courses for financial services students) in an ONLINE format. In addition to the foundation courses, MSJ students must satisfy the requirements for the concentration area they have chosen through a combination of online or in-person core and elective classes.
