OUTSTANDING TUITION BALANCE/FINANCIAL HOLDS

It is your responsibility to clear any unpaid balance with the Bursar’s Office prior to registering. Financial holds are automatically placed on your account regardless of the amount due. In addition, all monies must be received prior to the date of your registration, regardless of the source from which the tuition is being paid. If you have a current balance, you will be blocked from registering for courses and will be referred to the Bursar’s Office. This will result in having to restart the registration process (if cleared by the Bursar to register) and will lower your chances of enrolling in your desired course(s).

OTHER HOLDS

There are several types of holds which may affect your registration status, namely: bursar, academic, transcript, health services and financial aid. Prior to registration, it is strongly recommended that you go online to check if you have any type of hold on your account. If one does exist, you should contact the appropriate department to resolve the hold.

COURSE CANCELLATION

The Law School reserves the right to cancel any course. In the event of a cancellation, you will be promptly notified by e-mail to enable you to make an alternate selection.

COURSE WITHDRAWAL

A student is permitted to withdraw from a course up until the day of the scheduled examination, or if self-scheduled, the last day of examinations. In the case of a seminar, a student may withdraw up to the day in which the paper is due. However, no student may attempt more than 98 credits of academic work, including retaken courses. A course from which a student withdraws with the approval of the Dean of Students does not count as an attempted course. Notwithstanding the above, any student who is involuntarily withdrawn or who withdraws, with or without approval, from more than 20 credits will be automatically dismissed.

Students seeking to withdraw from one course while retaining another after the Drop/Add period must file a Course Withdrawal Form with the Office of Enrollment Services. A student withdrawing from any course, including externships, journals, clinics, moot court or independent Research will receive a grade of “WD” (Withdrawal).

DROP/ADD PERIOD

The Drop/Add period is Wednesday, May 29 – Sunday, June 2. However, students enrolled in Family Mediation, Advanced Legal Research or Negotiations must drop the class no later than the first day of class of the course in order to not have a “WD” (withdrawal) appear on their transcript. No student will receive academic credit for any course(s) that he or she is not officially registered for by 11:59 pm, Sunday, June 2. Students are entitled to a full refund of tuition for courses dropped within the Drop/Add period.
**COURSE DESCRIPTIONs/PREREQUISITES**

Students are responsible for checking course pre/co-requisites.

**CREDIT LOAD/RESIDENCY REQUIREMENT**

A student is not permitted to register for more than six credits (includes externships and summer abroad programs) during the summer session.

Eighty-eight credits are needed for graduation of which 78 must be "C-" or better. In addition, the Law School requires that full-time day students must be in residence for at least six semesters and enrolled for a minimum of 12 credits each semester, and part-time day and evening students must be in residence for at least eight semesters and enrolled for a minimum of eight credits each semester. If a student wishes to graduate a semester early, two summer sessions consisting of at least five credits each will count as one full-time semester in residence, and two summer sessions consisting of at least four credits each will count as one part-time semester in residence. **Those students who have changed divisions (part-time to full-time or full-time to part-time) should check with the Registrar to ensure compliance with this requirement.**

**EQUIVALENCY COURSES**

There are a number of courses which have considerable overlap and as a result, only one may be applied towards degree requirements.

**LIMIT ON LEGAL PRACTICE AND SELF-DIRECTED WORK CREDITS**

No more than 15 credits of legal practice and self-directed work credits shall count towards graduation. This would include skills courses (excluding Persuasion and Advocacy), externships, moot court (excluding Appellate Advocacy), Independent Research, and clinics (non-classroom component only).

**PASS/D OR FAIL OPTION**

Once during a student’s last four semesters, he or she may opt to take an elective course (excluding clinics) on a Pass/ D or Fail option. It is entirely up to the professor teaching the course whether he or she chooses to make this option available, and if so, may only be up to a maximum of 20% of the class. The Office of Enrollment Services will determine if more students request the Pass/ D or Fail option than there are seats, which students are permitted to take any course Pass/ D or Fail. No student may take an AWR course using this option if they need AWR certification for the graduation requirement. Courses that are offered with the option of Pass/D or Fail are noted in the schedule of classes enclosed in this handbook.

Students will receive an e-mail notification as to whether or not their request has been approved.

Filing Deadlines:

Early Filing Deadline: Friday, April 19
Late Filing Deadline: Friday, May 17

**WAIT LISTS**

Wait lists will **not** be available for any courses. If a course is closed at the time of your registration, it is highly recommended that you periodically check online for seat availability during Open Registration (2/26 – 6/2).

**EXTERNSHIPS**

Under current ABA and Law School requirements, students are fully eligible to receive academic credit for participation in an externship program after successful completion of 28 credits towards their JD program. Students who have successfully completed their first year of law school, but have not yet completed 28 credits of study, may still be eligible to receive academic credit for an externship, but this decision must be made on an individual basis by the Faculty Director. Specifically, ABA Standard 305(e)(6) requires that to receive academic credit for an externship, a
student must have “successfully completed sufficient educational prerequisites or contemporaneously receive sufficient training to assure the quality of the student educational experience” in the externship program.

There is no minimum cumulative GPA requirement for students enrolling for externships during the summer. However, there is a 2.33 minimum cumulative GPA requirement for students enrolling for most externships during either the Fall or Spring semesters. In some instances, a higher cumulative GPA may be required for some externships. Please refer to the Externship Guide on the Symplicity System. In addition, the number of credits that can be earned for externships has been raised from a max of 4 to a max of 8. However, please be aware that externship credits are included in the 15 credit limit for Legal Practice and Self-Directed Work credits which can be applied towards graduation requirements. Therefore, if you are interested in participating in a clinic, you should be careful not to overextend on externship credits. Also, please keep in mind for planning purposes that an externship and a clinic cannot be taken in the same semester.

For all students interested in registering for an externship, please note the following special instructions, as you cannot register for externship through the traditional SHU Law registration for your summer courses:

1. Review the externship web page for the externship requirements and placement information. Please note that before registering for the IRS or Entertainment Law externships, you must see Professor Tracy Kaye (IRS) or Professor Brian Sheppard (Entertainment) for special program requirements. All judicial externship inquiries should be directed to Professor Denis McLaughlin.

2. Review the Simplicity system and apply directly to an available employer to secure an externship placement with a government or public interest entity. Career Services can provide assistance with granting access to Simplicity. In the event you are proposing to extern at a new placement, see the Director of Externship Programs for placement approval prior to registering.

3. Access and complete the online externship registration form. Prior to completing the form, be sure to have access to the following information, as your registration will not be completed without it:
   a) Name of organization
   b) Full name and contact information of supervising attorney (including address phone & email contact)
   c) SHU ID
   d) GPA
   e) Name of course to drop if registration would put you over the credit limit

The externship course will be added to your semester schedule, unless you are not approved and would be contacted by the Director of Externship Programs, Professor Lori Borgen. After reviewing the externship academic requirements, if you are uncertain of whether you are academically eligible, please see Professor Borgen in advance for guidance.
