BENEDICTION

May God's blessing remain with us as we conclude these joyful rituals.

Loving God, you impart to all things a fullness and hope that we can never comprehend.

Thank you for leading us into a time where more of reality is being unveiled for us all to see.

We pray that you will take away our natural temptation for cynicism, denial, fear and despair.

Help us have the courage to awaken to greater truth, greater humility, and greater care for one another.

May we place our hope in what matters and what lasts, trusting in your eternal presence and love.

Listen to our hearts' longings for the healing of our suffering world....

Knowing, good God, you are hearing us better than we are speaking, we offer these prayers in all the holy names of God...Amen!¹
