LLM Program

The [LLM degree](#) requires 24 credits for completion. LLM students must elect to pursue a concentration area in **Financial Services, Health Law, or Intellectual Property**. Completion of a high-quality paper, under the supervision of a full-time faculty member (3 credits) and maintenance of a GPA of at least 3.00 are requirements of the program.

Online Financial Services Compliance LLM

The [Financial Services Compliance Masters of Law \(LLM\)](#) program provides attorneys with an in-depth examination of the laws governing financial institutions and an opportunity to develop advanced knowledge of financial law and compliance. Courses are designed for lawyers working within the financial industry, whether in a counseling capacity outside or in-house, or working in compliance departments and consulting firms, as well as those interested in transitioning to the compliance field. The part-time, online option allows lawyers to earn the LLM degree while working and provides access to those living outside the New York metropolitan area.

Online Health Law LLM

The [online Health Law Masters of Law \(LLM\)](#) degree provides attorneys with an opportunity to broadly explore health law and policy or to focus more narrowly on courses designed for lawyers planning to represent providers, payors, regulators, patients, or pharmaceutical, medical device or biotechnology companies. The Health Law LLM program is designed for both practicing health care attorneys and those seeking to expand their practice to health care clients.

Online Intellectual Property Law LLM

The [LLM program provides the opportunity to broadly explore intellectual property \(IP\)](#) or focus more narrowly on particular interests in IP, including patent, trademark, copyright and technology law. The program is designed for attorneys who wish to transition from other practice areas to IP; government officials and regulators who specialize or wish to specialize in IP related issues; and law school graduates who are interested in teaching, or in other academic research relating to IP Law.

It is your responsibility to clear any unpaid balance with the Bursar's Office prior to registering. Financial holds are automatically placed on your account regardless of the amount due. In addition, all monies must be received prior to the date of your registration, regardless of the source from which the tuition is being paid. If you have a current balance, you will be blocked from registering for courses and will be referred to the Bursar's Office.

Other Holds

There are several types of holds which may affect your registration status, namely; bursar, academic, transcript, health services and financial aid. Prior to registration, it is strongly recommended that you go online to check if you have any type of hold on your account. If one does exist, you should contact the appropriate department to resolve the hold.

Course Cancellation

The Law School reserves the right to cancel any course. In the event of a cancellation, you will be promptly notified by e-mail to enable you to make an alternate selection.

Course Withdrawal

A student can withdraw from a live course until the day of the scheduled examination, or if self-scheduled, the last day of examinations. In the case of an online course, a student may withdraw up to the day in which the last assignment/paper is due. Students seeking to withdraw from a course after the Drop/Add period must send a written notice to Sonia Cunha, Director of Graduate Law Enrollment, with a copy to Angela Slater, Associate Academic Director, Division of Online Learning. **A student withdrawing from any course will receive a grade of "WD" (Withdrawal).**

Drop/Add

The Drop/Add period for all online courses for the LLM program ends **the first Saturday of the term, at 11:59 p.m., EST**. The Drop/Add period for all **on-site** courses consists of the first week of classes – and ends on **August 25**. Students must drop courses within this period to avoid having a "WD" (withdrawal) appear on their transcript. Students are entitled to a full refund of tuition, less the initial enrollment deposit for new students, for courses dropped within the Drop/Add period. Additionally, students who are administratively withdrawn within the first two weeks of the course due to non-attendance (never started the course), will receive a 100% refund of tuition, however Seton Hall Law will retain the University and Technology fees.

Student Rights Under FERPA

View your rights as a student under the [Family Educational and Privacy](#).

Attendance Policy for Online Classes

Any student who does not attend a course for two consecutive weeks, after having attended for at least the first week of the course, will be administratively withdrawn. For purposes of this policy, "attendance" requires submitting responses to Tutorial Questions, posting on the Discussion Board, or submitting a completed Writing Assignment. **Students who are administratively withdrawn from a course will not be eligible for a refund.** The course will appear on the student's transcript with the designation WD. Withdrawal can have implications on financial aid status and eligibility. It is the student's responsibility to confer with our financial aid office to determine the nature and extent of any financial aid implications.

Attendance Policy for On-Site Classes

The Law School has a mandatory Class Attendance Policy which calls for students to attend a minimum of 75% of class sessions in a course or be administratively withdrawn from the course. No excused absences are permitted. An absence for any reason, including late registration, counts towards the maximum of 25% absences allowed.

Examinations for On-Site Classes

Final examinations will not be scheduled until after the Drop/Add period. Students who have an exam conflict can request a rescheduling of an examination based on the Law School's Conflict Policy. The exam schedule will be posted on our website.
