6	**Boston Medical Center Health Plan, Inc.**	**Medical:** Quality Improvement Committee, chaired by Director of Quality Improvement. **Behavioral Health:** Vice President of Medical Affairs and medical directors. **Reason for different persons:** Due to specialized nature of behavioral health services, they are given special consideration, requiring BMC to delegate UR to Beacon Health Strategies.	**Medical:** BMCHP uses quality committee reporting structure. **Behavioral Health:** Beacon's Level of Care Committee. **Reason for different review committees:** Due to specialized nature of behavioral health services, they are given special consideration, requiring BMC to delegate UR to Beacon Health Strategies.	Use Beacon's utilization review criteria. Process: Beacon adheres to NCQA Utilization Management standards and compares national scientific and evidence based criteria sets.	Combination of internal and external review sources. Uses McKesson InterQual criteria. Internally, Medical Policy Manager responsible for review of literature, scientific studies and other information.	The process is the same, using external sources for both, relying on experts to develop utilization review criteria. BMC also uses internally developed criteria for small number of services.

No.	Company Name	1.1 - Utilization Review Person	1.2 - Utilization Review Committee	1.3.a - Mental Health Utilization Review Criteria - Developed by Whom?	1.3.b - Medical Utilization Review Criteria- Developed by Whom?	1.3.c - Review Differences
7	**CeltiCare Health Plan of Massachsuetts, Inc.**	**Medical and Behavioral Health:** Chief Medical Officer.	**Medical and Behavioral Health:** Utilization review criteria are reviewed and approved by the CeltiCare Health Quality Improvement Committee, consisting of internal and external members.	Primary source is through external review process using McKesson's InterQual. Anually, a small minority of policies (Partial Hospital Program and Intensive Outpatient Program) are developed by internal clinicians with review by local external experts via the QIC.	Criteria are developed internally and approved by Quality Improvement Committee, and developed using McKesson's InterQual criteria.	The approach is the same; and the development and approval process are uniform.
8	**CIGNA Health and Life Insurance Company**	**Medical and Behavioral Health:** Chief Medical Officer.	**Medical and Behavioral Health:** CIGNA Medical Technology Assessment Committee. Scope of review includes medical/surgical and mental health matters. Current chair is a psychiatrist.	Criteria developed internally with team of physicians, nurses, psychologists, social workers, and substance use disorder clinicians. Updated at least every 2 years.	Combination of internal and external review sources, including MCG to determine medical necessity.	Need to rely on MCG to determine medical necessity where CIGNA has not developed its own coverage policy.
9	**ConnectiCare of Massachusetts, Inc.**	**Medical:** Physician Advisory Committee chaired by Chief Medical Officer (CMO) or the Medical Director reporting to the CMO. **Behavioral Health:** Optum's Behavioral Policy & Analytics Committee chaired by Senior Vice President, Medical Management. **Reason for different persons:** Need for subject matter experts.	**Medical:** Criteria reviewed by Medical Operations Staff, Medical Directors and Physician Advisory Committee. **Behavioral Health:** Optum's Clinical Staff and Behavioral Policy & Analytics Committee. **Reason for different review committees:** Need for subject matter experts.	ConnectiCare uses utilization review criteria developed by Optum.	Utilization reveiw criteria are developed by ConnectiCare staff or adopted from external sources and approved by ConnectiCare Physician Advisory Committee. For adanced radiology and radiation oncology, ConnectiCare uses utilization review criteria developed by National Imaging Associates (NIA).	Need for subject matter experts.
10	**Connecticut General Life Insurance Company**	**Medical and Behavioral Health:** Chief Medical Officer	**Medical and Behavioral Health:** CIGNA Medical Technology Assessment Committee. Scope of review includes medical/surgical and mental health matters. Current chair is a psychiatrist.	Criteria developed internally with team of physicians, nurses, psychologists, social workers, and substance use disorder clinicians. Updated at least every 2 years.	Combination of internal and external review sources, including MCG to determine medical necessity.	Need to rely on MCG to determine medical necessity where CIGNA has not developed its own coverage policy.
11	**Fallon Community Health Plan, Inc.**	**Medical:** FCHP Chief Medical Officer. **Behavioral Health:** Beacon Vice President of Medical Affairs and Medical Directors. **Reason for different persons:** Beacon has subject matter expertise and has NCQA accreditation in behavioral health services.	**Medical:** FCHP Technical Assessment Committee. **Behavioral Health:** Beacon Level of Care Committee. **Reason for different review committees:** Beacon has subject matter expertise and FCHP relies on Beacon's specialized knowledge.	Criteria developed externally using Beacon's Level of Care Criteria.	FCHP uses InterQual Level of Care Criteria, and for some specialty areas, FCHP's interal criteria.	While FCHP maintains oversight over Beacon's utilization review criteria, Beacon has specialized breadth and depth of expertise in the area of behavioral health.
12	**Fallon Health & Life Assurance Company**	**Medical:** FCHP Chief Medical Officer. **Behavioral Health:** Beacon Vice President of Medical Affairs and Medical Directors. **Reason for different persons:** Beacon has subject matter expertise and has NCQA accreditation in behavioral health services.	**Medical:** FCHP Technical Assessment Committee. **Behavioral Health:** Beacon Level of Care Committee. **Reason for different review committees:** Beacon has subject matter expertise and FCHP relies on Beacon's specialized knowledge.	Criteria developed externally using Beacon's Level of Care Criteria.	FCHP uses InterQual Level of Care Criteria, and for some specialty areas, FCHP's interal criteria.	While FCHP maintains oversight over Beacon's utilization review criteria, Beacon has specialized breadth and depth of expertise in the area of behavioral health.
