## **Alessandra Spina**

*Associate General Counsel – Healthcare Compliance*  
Terumo Americas Holding  
*Chief Compliance Officer*  
MicroVention

Alessandra is a business oriented legal and compliance professional with over twenty years of diverse operational, transactional, and compliance experience in world-leading medical device and consumer electronics corporations. She has a proven record of success managing large-scale projects, global commercial transactions, and strategic development of anti-bribery/anti-corruption corporate compliance programs in the Americas, EMEA, and Asia Pacific.

Alessandra joined Terumo in 2016 as Senior Legal Counsel and Compliance Officer. As of 2019 Alessandra serves as the designated Chief Compliance Officer for MicroVention and continued to enhance the compliance program and bring alignment across all Terumo companies while fostering the company's ethical culture.

Alessandra is an attorney admitted in New York State and in Italy. She holds an LL.M. in Corporate Compliance from Fordham University School of Law in New York City. Prior to joining Terumo, she served as EMEA Legal Counsel for Zimmer Biomet based in Switzerland, and as Acting General Counsel Samsung Electronics based in Italy.
