

Ami Dave, *CISO*, Fanatics Betting & Gaming
Ami.Dave@betfanatics.com

Ami brings over 13 years of experience in Information Security. Before joining Fanatics, she held leadership roles across the Life Insurance, Health Insurance, and Space Technology industries. She has a strong background in building and scaling Information Security programs while ensuring compliance with various industry recognized frameworks. Throughout her career, Ami has successfully led multiple M&A Information Security deals and integrations. She is also deeply focused on AI, emerging threats, and the evolving cybersecurity landscape, ensuring organizations stay ahead of potential risks. Ami has a strong passion for compliance and risk management, leveraging her expertise to drive transformative change within industries by shaping security strategies, enhancing regulatory adherence, and fostering a culture of resilience and innovation.
