*Life Sciences - Partner*

Souto Correa Advogados (São Paulo)

[anderson.ribeiro@soutocorrea.com.br](mailto:anderson.ribeiro@soutocorrea.com.br)

Anderson Ribeiro has extensive expertise handling cutting-edge litigation and counseling cases in the Life Sciences & Healthcare sector. In addition, he is expert in product recalls, compliance, and anti-corruption matters, focusing on the needs of the health sciences industry.

He has a distinguished track record in cases involving regulation, government acquisitions, and industrial property before agencies such as the National Health Surveillance Agency (Anvisa), the Ministry of Agriculture (MAPA), and the National Health Agency (ANS), as well as in proceedings before the Federal Audit Court (TCU), the Ministry of Health, the National Institute of Metrology, Quality, and Technology (Inmetro), and state and municipal health departments.

He represents national and multinational companies from the most varied sectors, with a special focus on biotechnology, pharmaceuticals, health products, food, cosmetics, sanitizing products, pesticides, veterinary products, and emerging technologies.
