## **Anne-Charlotte de Mareschal**

*Business Ethics Director France – Tunisia / Algeria / Morocco*

Ipsen (Paris)

[anne-charlotte.de.mareschal@ipsen.com](mailto:anne-charlotte.de.mareschal@ipsen.com)

Anne-Charlotte de Mareschal holds a PharmD. She began her career in pharmaceutical sector in 2002 and has worked in different pharma companies. After several in Regulatory Affairs, she has joined Ethics & Compliance functions in 2016 in Ipsen where she has worked on different geographies as France, Italy and North Africa, as well as Global transversal Ethics & Compliance programs. She is currently Business Ethics Director in Ipsen, overseeing France and Italy Operations, and bringing Business Ethics support to French R&D and manufacturing sites. Beyond her experience in pharmaceutical industry and healthcare environment, she has developed her knowledge and skills in Ethics & Compliance by being certified from the Healthcare Compliance Leadership Program at INSEAD Business School and from the Healthcare Compliance & Ethics Program at Seton Hall Law School.
