*Supervising Associate*

Simmons & Simmons LLP (Paris)

[augustin.bricaire@simmons-simmons.com](mailto:augustin.bricaire@simmons-simmons.com)

Augustin specialises in pharmaceutical issues. His practice focuses mainly on product liability matters, regulatory, market access, clinical trial, compliance and anti-gift rules, ethical and professional healthcare regulation.

He advises and defends international companies operating in the Life Sciences and Healthcare sector (including pharmaceuticals, medical devices, cosmetics and animal health products) on non-contentious and contentious matters.

Augustin was admitted to the Paris Bar in 2017 and joined our Paris office in 2017.

He graduated from the University Paris II Panthéon-Assas. He also holds a Master's degree in "Pharmaceutical Products Law" from La Sorbonne-Paris Descartes University in Paris.
