Bassem Gharbi

Senior Manager, Forensic & Integrity Services
Ernst & Young (EY) (Paris)

Bassem is Senior Manager within the Forensic & Integrity Services line at EY in Paris, with more than 10 years of experience in supporting clients in leveraging AI for compliance purposes.

He is involved in the entire compliance journey, from developing monitoring solutions to conducting investigations. In this context, he deploys data analysis and AI solutions for detection and financial evaluation purposes.

Bassem also oversees research and development activities of the EY Document Authenticity Tool for EY Forensic globally.
