Betania Glorio

Global Compliance Officer, Healthcare

Merck KGaA (Germany)

Betania.glorior@merckgroup.com

Based in Germany, Betania Glorio leads a team of compliance officers worldwide. She graduated from the Catholic University Law School in Caracas, Venezuela in 2001, and completed a specialization in Corporate Law from the St. Andrews University in Buenos Aires in 2010.

Ms. Glorio started her career in the pharmaceutical industry in 2005 at Pfizer, where she held different positions within legal and compliance, including being the first appointed Regional Compliance Director for Latin America and Canada in 2007, and later moving to Europe as Regional Compliance Director for Western Europe. Since 2013, she has held several positions in emerging biotech companies, where she has implemented compliance programs across different territories.
