Carolina Forero Isaza

Sr Legal Director IM Latin America North, Central America and the Caribbean. Global Regulatory Legal Team LATAM Liaison.
Johnson & Johnson

Born in Bogota, Colombia, Carolina supports the Johnson & Johnson Innovative Medicine business in Latin America North (Colombia, Peru and Ecuador), and Central America and the Caribbean. Since 2025, she is also acting as Liaison for the Global Regulatory Law Group in Latin America.

Before joining J&J in 2015, Carolina spent the first years of her professional career working in 3 top law firms and Colombia and in the Legal and Compliance Departments in Abbot and AbbVie.

She graduated from Los Andes University Law School in 1995. She earned a master's in law degree from the London School of Economics and Political Science, an Environmental Law Specialization Degree and a Diploma in Business Studies. She is currently enrolled in the Masters Degree in Bioethics from the Universidad Internacional de La Rioja in Spain.

She is the proud mother of 2 young ladies. She is a strong advocate and passionate supporter of environmental protection and sustainability initiatives..
