### **Chris Matteson**

*US Forensics Compliance Services Executive, Forensic & Integrity Services*  
Ernst & Young, LLP

**Chris Matteson** is the US Forensics Compliance Services Executive with the Ernst & Young LLP's Forensic & Integrity Services practice. Chris is a compliance and regulatory professional with more than 30 years of life sciences experience. Chris specializes in proactive compliance controls specific to third party risk management and has developed and implemented innovative solutions to identify bribery, corruption and fraud related risk. Chris also advises clients on strategies to improve the effectiveness of their compliance program including areas such as implementation of policy simplification strategies, enterprise risk management solutions, speaker program and field sales monitoring controls. Chris has served as the Independent Review Organization (IRO) lead under the terms of various Corporate Integrity Agreement (CIA) requirements.

Prior to joining EY US, Chris was the Senior Director of Risk Mitigation and Corporate Integrity Agreement Management for Johnson & Johnson. Chris was responsible for the development and implementation of strategies and tactics needed to ensure the effectiveness of a comprehensive global compliance program including third-party due diligence, risk assessments, policies, training, oversight & monitoring and aggregate spend systems, corporate integrity agreements and deferred prosecution agreements. Chris also has experience in managing and responding to government investigations, including the negotiating of settlement agreements.

Chris holds a Bachelor of Arts in Liberal Studies from Arcadia University is a Certified Fraud Examiner (CFE) and is a member of the Compliance and Ethics Professional (CCEP) association.
