Effectiveness, Global Compliance*

Insmed

[Christian.Dingler@insmed.com](mailto:Christian.Dingler@insmed.com)

Christian Dingler is the Executive Director of Risk Management and Program Effectiveness at Insmed Pharmaceuticals, a global biotechnology company transforming the lives of patients with serious and rare diseases. Christian is responsible for enterprise and healthcare compliance risk assessments, global compliance monitoring, auditing, investigations, and advancing the maturity of the compliance function. Prior to joining Insmed, Christian worked as a consultant supporting the compliance programs of over 100 pharmaceutical and medical device companies.
