In October 2018, Cindy was appointed as Chief Integrity & Compliance Officer for Indivior. In this role, Cindy is responsible for leading the ongoing development, administration and evolution of the Indivior Global Integrity & Compliance Program, with maturity goals benchmarked against best practice standards. Cindy brings to Indivior over 35 years of U.S. and global compliance leadership largely within the pharmaceutical industry, in addition to diverse cross-industry experience spanning managed care, life and health insurance. The majority of her career has been dedicated to driving a culture of learning and integrity, and compliance program vision, while enabling innovation and patient-focused business results.

Cindy joined Indivior from Novartis Pharmaceuticals Corp (NPC) where she held roles of increasing responsibility over 15 years from 2003. Initially focused on the U.S. pharmaceutical and oncology businesses, Cindy built a team of over 50 professionals and was responsible for harmonizing compliance across all the U.S. based Novartis divisions as Chief Compliance Officer NPC and U.S. Country Compliance Head. In this role she led the development of a robust, effective compliance program and successful implementation of NPC's 5-year Corporate Integrity Agreement with the Department of Health and Human Services Office of Inspector General. As a member of the NPC Executive Committee, and the Global and International Compliance leadership teams, she co-led strategic priority development and execution. Cindy then took on an international role as Head of Compliance Operations, Group Integrity & Compliance at the Novartis headquarters in Basel, Switzerland. There, she led the implementation of the global compliance program evolution and established central operations support across all global divisions and 160 countries, while leading the compliance analytics approach for effective risk management and program measurement. Before joining NPC, Cindy was Director of Operations, Managed Markets at Pharmacia, led Advertising Compliance for Prudential Healthcare, and held various senior management roles at US Life Insurance and Mutual Benefit Life Insurance companies.

Cindy Leading Professional in Ethics & Compliance (LPEC) certified, National Association of Corporate Directors (**NACD.DC**®) certified, and holds a Bachelor of Science, Commerce, Finance – Magna Cum Laude from Rider College, Lawrenceville, New Jersey.
