

Corey M. Dennis, CIPP/US, CIPP/E

Lead, US Privacy Officer

Sanofi

Corey M. Dennis is Lead, US Privacy Officer, at Sanofi, a Fortune 500 global pharmaceutical company with over 100,000 employees. At Sanofi, Corey is responsible for managing Sanofi's US Privacy program in compliance with all privacy laws impacting US operations (e.g., HIPAA, GDPR, CCPA, VCDPA, FTC Act), and supporting digital health, real-world evidence, and data strategy related matters.

Prior to joining Sanofi, Corey was Director of Privacy & Counsel at PPD, a leading global clinical research organization, where he managed global privacy matters, including a team of privacy officers in the US and EU. He is a graduate of the University of Massachusetts Amherst and Suffolk University Law School, where he was a member of the Law Review. He actively participates in professional associations, and has written and spoken extensively on privacy law.
