David Styler

*Senior Vice President, Chief Compliance Officer
Horizon Therapeutics*

David Styler has 20+ years of experience in the life sciences industry specializing in ethics & compliance issues at both the national and global level. Before joining Horizon, David held senior leadership positions in ethics & compliance functions at Takeda Pharmaceuticals and Abbott Laboratories where he helped globalize those functions in order to stay compliant with the various laws, rules and regulations across the globe. His extensive focus on how industry interacts with healthcare professionals, government officials, and the communities at large helps companies successfully operate within the ever dynamic healthcare environment at the state, federal and global level. Prior to joining the private sector, David spent over 13 years as a state and federal prosecutor in Chicago.
