Fernando Fagundes Iazzetta

*Legal & Compliance Officer China & International
Legal & Corporate Affairs*
Chiesi Farmaceutica Ltda (São Paulo)
fernando.iazzetta@chiesi.com

Mr. Iazzetta is an experienced Corporate Counsel from the healthcare industry, leading executive positions in Brazil, Latin America and, lately, serving as a regionally Legal & Compliance executive responsible for the intercontinental Region comprising Brazil, Mexico, China, Australia, New Zealand, Turkey, Russia, Pakistan.

His career was built throughout the past 15 years of In-house practice, working in law-firms and pharmaceutical, health tech and biotechnological organizations, with emphasis Corporate & Legal Affairs, Compliance, Government Relations, and Health Policy development.

Over the years, Fernando had the opportunity to work in companies with different maturity level of organization, which has enabled him to acquire relevant experience in structuring internal governance through robust integrity programs, in addition to actively acting as partner in the development of business strategies based on the pillars of ethics, integrity and transparency.

In addition, Fernando also had the opportunity to experience the position of an executive Board Member, which ended up adding a more decisive role to his professional experience as one of contributor to the development of mid-long term business drivers, cultural transformation and company expansion through market acquisition/licensing strategy.
