Filiz Toprak Esin has been with the firm since 2006 and became a partner in 2020. Her practice is focused on business crime and anti-corruption, competition and corporate, and M&A.

Ms. Esin has broad experience in compliance matters including competition and white collar crimes. She has assisted various major multinational clients in their fight against corruption and provides preventive advice about their compliance process. At the same time, she represents executives of clients before relevant authorities and courts regarding white collar crimes related investigations and court actions.

Concerning competition law matters, in addition to her consultancy and training expertise, Ms. Esin is representing clients about any projects before the Turkish Competition Authority as well as any administrative court actions regarding decisions of the Competition Board. She has been involved in numerous M&A transactions and assisted clients who have investments in Turkey on their continuing legal needs.
