Weissman & Mintz LLC

Formerly with the Zazzali firm in Newark, New Jersey, where he represented individuals and entities in labor, employment, administrative, constitutional and election law matters, Flavio Komuves joined Weissman & Mintz, LLC in early 2019. While at Weissman & Mintz and before, a good part of Komuves' legal career has been devoted to public service. As a Deputy Public Advocate, he led the State's voting rights program, and he has gone to court to protect voting rights both in his private practice and as senior counsel to the American Civil Liberties Union of New Jersey. He played a key role in reforming the Newark Police Department, through his work on a petition filed by the ACLU-NJ with the U.S. Department of Justice in 2010, which ultimately led to a 2016 consent decree. Flavio has also gone to court to vindicate the right of public access to court records. A member of the NJ Appleseed board since 2011, he also volunteers as Chair of the Election Law Committee of the New Jersey State Bar Association and was appointed by the New Jersey Supreme Court to the Advisory Committee on Extrajudicial Activities. Flavio is a graduate of Rutgers University and Seton Hall University School of Law (class of 1997).
