

Jennifer Chapman
Director, Technical Compliance
Penn Entertainment
Jennifer.Chapman@thescore.com

Jennifer Chapman is the Director, Technical Compliance at PENN Entertainment, Inc. Jennifer is part of the interactive compliance team and is responsible for supporting regulatory security assessments along with technical compliance of PENN's Interactive suite of products. Prior to joining PENN in 2023, Jennifer worked with global regulatory bodies including the United States in the online technical compliance space for the supplier Light & Wonder (formerly SG Digital) along with Flutter Entertainment since 2013 and prior to that worked at a brick-and-mortar Casino since 1999 with the local regulator and operators on special provincial projects along with day-to-day responsibilities. In the interactive space Jennifer has supported products such as Player Account Management (PAM), Casino games, RNG, RGS and Bingo plus online and retail Sportsbooks.
