## **KIRK OGROSKY, ESQ.**

*Partner, Goodwin Proctor LLP (Washington, DC)*

Kirk Ogrosky is a partner in Goodwin's Complex Litigation and Dispute Resolution, Life Sciences, and Healthcare practices where he co-leads the firm's Healthcare Government Enforcement & False Claims Act Defense practice. Mr. Ogrosky is recognized as one of the nation's leading government enforcement defense attorneys. He specializes in False Claims Act defense; complex litigation involving the Anti-Kickback Statute; Foreign Corrupt Practices Act matters involving healthcare sectors; as well as internal investigations. He represents manufacturers of pharmaceuticals, biologics, medical devices; clinical laboratories; pharmacies; hospitals and integrated health networks; ambulatory surgery centers; diagnostic testing facilities; physicians; physician practice management companies; developers of digital health technology; Medicare Advantage and Medicaid plans; and private equity firms, operating companies and investors in governmental investigations. Mr. Ogrosky's practice is national in scope and clients include public and private companies, and their boards and executives.
