Margaret Huang

Senior Managing Associate

White Collar: Government Litigation and Investigations

Sidley Austin LLP (Singapore)

margaret.huang@sidley.com

Margaret Huang is a senior managing associate in Sidley's Singapore office. Her practice focuses on complex, cross-border investigations and compliance counselling in the areas of anti-bribery, fraud, sanctions, data privacy and employment. She has led investigations and compliance projects in more than ten countries globally, including China, India, Malaysia and Romania. She also has extensive experience developing and implementing compliance policies and programs as well as conducting due diligence reviews. Margaret has a special focus on clients in the life sciences industry and has worked on various healthcare regulatory matters.

Margaret speaks and writes fluent English and Mandarin, and she speaks conversational Bahasa Indonesia.
