Healthcare Compliance  
Certificate Program

**MARÍA VANINA CANIZA**  
**Partner, Baker McKenzie**

Vanina Caniza is the Global Chair of the firm's Healthcare & Life Sciences Group. She advises a range of multinational, Latin American, and Argentine clients in a variety of corporate and commercial law matters at the firm's Buenos Aires office. She has extensive experience in corporate compliance, commercial agreements, mergers & acquisitions, and regulatory advice.

Ms. Caniza advises clients on transactional, general commercial, compliance, and regulatory matters. She has advised many clients in M&A and licensing transactions and conducted several compliance investigations. She focuses her practice on the life sciences and health care industry and has extensive experience in regulatory law and specialized knowledge of legal issues related to the pharmaceutical, med tech, and health care industry.

Ms. Caniza was previously the Latin America leader of the Healthcare & Life Sciences Group and also sits on the Steering Committee of the firm's Latin America Corporate Compliance Group. She is currently a professor in the CEC Compliance & Ethics Certification (AAEC-UCEMA).

Ms. Caniza completed post-graduate courses in Biotechnology at the Universidad Torcuato di Tella (Buenos Aires) and in Health Law at the Universidad de Buenos Aires.
