Mariusz Witalis

*Partner, Leader Central, Eastern and Southeastern Europe
& Central Asia, Forensic & Integrity Services*

EY (Warsaw)

Mariusz.witalis@pl.ey.com

Mariusz Witalis leads the EY Forensic & Integrity Services (Forensics) group in Central, Eastern and Southeastern Europe, and Central Asia. He is also a member of EY Forensics life sciences management team for Europe, Middle East, India, and Africa (EMEIA).

Mr. Witalis specializes in assisting medical device companies, pharmaceutical manufactures, and biotechnology companies with internal and government investigations and compliance-related matters. He has more than twenty years of experience working with legal counsel, internal audit, and compliance functions on matters arising under the U.S. Foreign Corrupt Practices Act as well as a number of other country-specific anti-corruption and competition regulations. He advises a number of medical device, pharmaceutical, and biotechnology companies on compliance-related topics in over forty countries in EMEIA.

Mr. Witalis is a frequent speaker at international conferences and seminars devoted to compliance and fraud management and is an author of numerous articles on compliance and business fraud. He has a Diploma of Polish Statutory Auditor, Certified Internal Auditor, and is a Certified Fraud Examiner. He is a member of the Compliance Committee at the Warsaw Stock Exchange and one of the faculty members (teaching compliance and forensic audit) of post-graduate studies organized by Warsaw universities (SGH and Kozminski University).
