Certificate Program

Nadège Rochel

Vice Chair, Strategic Committee

ETHICS

Nadège is a global compliance leader with 13+ years in the healthcare industry (MedTech and Pharmaceutical).

She has a proven track record in designing, implementing and measuring effectiveness of compliance programs: from check the box to competitive advantage.

She believes in the concept: "Compliance for human", using behavioral science techniques to adapt Compliance.

She is passionate about cultivating ethical culture, inspiring and leading high-performing teams and enabling organizations to thrive through integrity and trust. She is a recognized international speaker and thought leader.

She is the Vice Chair of the Strategic Committee of ETHICS.
