Piergiorgio Pepe

President

Quantum Ethics

piergiorgio.pepe@quantum-ethics.com

Piergiorgio Pepe is an independent compliance and ethics advisor. He advises high profile companies and institutions on ethics and compliance matters in health care and beyond. He is also active in the academic field of compliance and ethics; he regularly teaches compliance-related courses at INSEAD, SciencesPo, and other academic institutions. He is also a board member of the ETHICS Society as well as a member of its Strategic Committee.

From 2013 to 2018, Mr. Pepe worked at AbbVie as Compliance Director, Western Europe & Canada and Compliance Director, Eastern-Europe, Middle East, and Africa. From 2006 to 2013, he worked as Business Program Director EMEA, Bristol-Myers Squibb. From 1997 to 2006, he worked as senior lawyer in the EU, Competition and Regulatory department of the international law firm Simmons & Simmons, London, with a focus on health care clients.

Mr. Pepe is a law graduate of the University of Bari (Italy) and has masters in EU Law from the Institute of European Studies (ULB, Brussels). He is a Solicitor of the Supreme Court (Law Society of England and Wales) and an Avvocato at the Court of Bari, Italy. He regularly works in English, Italian, French, and Spanish, and has a basic knowledge of Greek.
