## **Ronald Goon**

*Ethics & Business Integrity Head, Greater China*  
Sanofi (Shanghai)

Ronald Goon is the EBI Head for Sanofi in the Greater China region, which includes mainland China, Hong Kong and Taiwan, and is responsible for the company's compliance program in these jurisdictions. He has over thirty years of experience in the health care industry. In that time, he has worked in a broad range of functions in the health care industry, including sales and marketing, regulatory affairs, clinical research, quality, and more recently in ethics and compliance. He was the Senior Director, Business Practices & Compliance for Johnson & Johnson and oversaw the company's third-party intermediary management program, managed the health care compliance program of the Asia-Pacific Innovation Center, and was the mergers and acquisition compliance lead for the Asia-Pacific region.
