## **Sam Johnson**

*Senior Managing Associate*

Sidley Austin LLP (Singapore)

[sam.johnson@sidley.com](mailto:sam.johnson@sidley.com)

Sam Johnson focuses his practice on internal and regulatory cross-border investigations in Asia, Europe, and the Middle East arising from a range of alleged misconduct issues, including corporate governance concerns, bribery & corruption, accounting fraud, cybersecurity incidents, supply chain concerns, and broader employee misconduct. He works for clients across a range of sectors, specializing in life sciences, financial institutions, technology, and energy.

Sam also counsels clients on their compliance frameworks, including in relation to data privacy, cybersecurity, third-party diligence, and other regulatory matters. He has also spent time on secondment to the global litigation and regulatory affairs department of a leading multinational manufacturer based in Japan.

Sam is fluent in English and Mandarin and speaks Japanese.
