Dr. Söntje Julia Hilberg, LL.M. is a German lawyer specialized in IT and Privacy Law. Before joining Deloitte Legal, she worked several years at a leading international law firm with focus on IT/IP and Privacy Law. There, beside her position as an Attorney, Söntje also held the position as internal Data Protection Officer.

After her second state exam, Söntje worked as a legal trainee in a leading US law firm in New York. In 2014 she graduated from Fordham University Law School, New York where she studied IT Law (LL.M.).

Söntje has extensive experience in advising national and international companies in the IT/IP and Privacy Law, i.e. (i) IT outsourcing, IT contract law and contract management, software and licensing law and (ii) EU GDPR, industry-specific Privacy and Cyber Security. She manages complex IT projects, especially in the Public Sector (Federal Ministries) and the regulated industries (Automotive, Finance, Insurance).
