Timothy Roberts

Global Chief Compliance Officer

Legend Biotech

Timothy Roberts is the Global Chief Compliance Officer at Legend Biotech, where he leads the company's global Ethics, Compliance, and Risk Management program. With more than 12 years of experience in compliance, Timothy is a seasoned executive and strategic business leader who focuses on delivering practical, compliant solutions that enable sustainable business success.

Timothy began his career in sales, giving him a deep understanding of commercial operations and the realities of the business. This perspective informs his approach to compliance, ensuring programs are not only effective but also aligned with business strategy. Over the course of his career, he has been responsible for building and overseeing all elements of an effective compliance program, including policy development, risk assessment, training, auditing and monitoring, investigations, and reporting. He has also served as a Privacy Officer, bringing expertise in data protection and global privacy regulations.

He holds a Master of Science in Jurisprudence in Healthcare Law and Compliance from Seton Hall University School of Law, as well as a Bachelor of Arts from The University at Buffalo. Timothy is passionate about advancing a culture of ethics and integrity, strengthening governance frameworks, and leveraging data and analytics to enhance compliance effectiveness.
