Willy Cousin

Global Compliance Deputy Head
Servier (Paris)

willy.cousin@servier.com

Willy has a master degree in data management and data analysis and started his career working for the marketing department as business intelligence manager. He then worked for the compliance services in a trading bank setting up systems and controls to ensure the conformity of the trades with regulations and good practices. He has over 10 years of experience as Compliance officer for the pharmaceutical industry especially for Sandoz and Teva. He is currently Global Compliance Deputy Head at Servier.

He is also, since 2017, co-leader of the Compliance working group within the French Regulatory Association for the pharmaceutical industry named AFAR and vice president of the association.
